

Biodynamic workshops at Oakbrook farm with Kai Lange

www.HortusHeart.co.uk

these workshops are **free** of charge to further biodynamic understanding and activities
please book place with Kai : oakbrookdemeter@gmail.com

Kai Lange has got forty years of BD experience to share

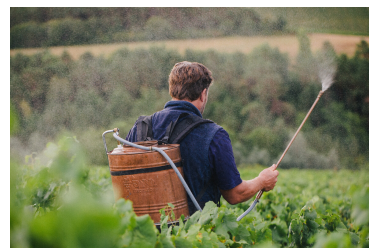

Applying BD 500 - Horn Manure

Friday, 9th October'26, 1-3.30pm

BD Horn Manure furthers soil fertility, increases humus, soil web communication and sensitivity.

You will learn and help stir in vortex from 1-2 pm and apply to the land 2-3.30 pm. Bring a knapsack sprayer (not used for poisons) or bucket & brush

We will spray all of Oakbrook land.

Making of BD 500 - Horn Manure

Saturday, 10th October'26, 1.30-4 pm

BD Horn Manure furthers soil fertility, increases humus, soil web communication and sensitivity.

You will learn and help to fill about 200 cow horns with cow manure and bury them in soil for the winter experience.

Making and applying BD tree paste

Friday, 30th October'26, 10.30-noon

BD Tree Paste is a 'magic' potion for tree health and resilience.

You will learn about its many benefits, help to make and apply it.

You can purchase the concentrate in 5l containers @ £15.
